

St Francis Tablet

the Newsletter of St Francis Chapel and Bookshop

August 2006

Welcome to the first edition of the St Francis Tablet! Here you will find snippets of information and general news around the bookshop! If you have anything to contribute, please contact the editor (5229 9780) and share your information!

Let's give a big welcome to Fr Stephen Kandarapally! Fr Stephen has joined the team at St Marys while Fr Tony is on sabbatical leave in Poland. We look forward to meeting Fr Stephen at the Chapel and perhaps a chat over coffee.

Glad to have Pat Adams back after her return to health! Pat does a wonderful job with two shifts for the Tuesday Team as well as being the 2IC! A thankyou to Frances Hubbard who has retired after four years of dedicated service.

We are sad to report that a handbag has been stolen from the bookshop. Please keep your bags and purses out of sight as you never know what someone has in mind!

Important Notice: Please return the front door key to the barber immediately after use - there is great consternation when we can't find the key!

Thinking of rewriting your will? Why not leave something to the Bookshop! We need generous people to keep the Chapel and bookshop growing - you just don't know how many people you could help come back to the Church!

The Bookshop Roster

There are vacancies for the following positions:

Monday Only emergencies needed - emergencies should only be contacted once per month but this depends on how many other people are "away"

Friday C Team - morning and afternoon

Please ring the Day Manager if you can volunteer

*Housekeeping! Thankyou to those ladies who do the vacuuming and dusting every month, especially Val Trinder! We really appreciate your work!
The windows soon will be cleaned professionally. It is a policy of the bookshop to have the windows free of notices.*

Note from the Editor! New Roster coming out soon - please ring your Day Manager now with any changes.
