

What people are saying about the Called and Gifted Workshop?

"A superb experience."

"Beautiful, polished, humorous presentation."

"It's awesome to me that you actually found a format to give expression to the process of discerning gifts! Presentation was great!"

"For me, the idea that I stand in the place of Jesus in my life - in my encounters with my family, my friends, my little daughter - has been revolutionary. Until now, I've thought only that I am unfit to wash those biblical sandals.... Now it seems I am to put them on and walk as though they fit."

"The workshop clearly called out that all baptized people have been given the power, the authority, and jurisdiction to stand in Jesus' place to reach people who would not otherwise be reached."
